

TechKut FT 732 SHP Heavy Duty Machining Lubricant

Heavy Duty, Straight oil

DESCRIPTION:

TechKut FT 732 SHP is a medium to heavy-duty, straight oil metal working fluid formulated with hydrotreated heavy naphthenic base stock. The product has a balanced lubricity and EP for use in a variety of machining operations. The lubricity and EP package includes a combination of ester and EP additive derived from vegetable oil, active and inactive sulfur to produce good part finish and exceptional tool life. **TechKut FT 732 SHP** reduces fluid drag out, providing improved operating costs. **TechKut FT 732 SHP** has a low odor for ease of use and disposal and does not produce a sticky residue on parts.
