

TechKut FT704H Fine Grinding Oil

DESCRIPTION:

Key Features: TechKut FT704H is a straight cutting oil designed for honing and fine grinding of most metals. Its unique polymeric lubricity and extreme pressure additives provide hydrodynamic and extreme pressure lubrication, reducing heat buildup and providing excellent surface finishes. TechKut FT704H outperforms other grinding oils and is specifically designed to run clean and reduce carry-off while increasing tool life. It is ideal for both ferrous and non-ferrous materials.
